Inclement Weather Policy Out of concern for safety, bad weather occasionally forces the closing of a SOAR Fox Cities, Inc. program or service. If it becomes necessary to close SOAR Fox Cities, Inc. for any reason, SOAR FC staff will attempt to notify all participants who are signed up for the program or service of the closure. The program or service may be re-scheduled. Please watch local news channels (WBAY, WFRV, WLUK), check our website and Facebook pages for real time updates on cancellations. Most day-of cancellations will be made by 2:00pm the day of the activity. After office hours, please call 920-931-2530 for Adult Programs information.

Payment Policy We will NOT be able to collect payments at activities. Do not give staff your payment—we need to collect it at the office, via mail, or via our website, PRIOR to all activities. If you visit our office before/after hours, please deposit your labeled payments in the mail slot. We encourage your use of envelopes. The use of SOARcash is encouraged for those needing minor financial assistance, when it is available (based on allowed funding). Call for a SOARcash application. For any questions regarding bills/invoices, please ask for extension 100. If you are registering for an activity and tickets need to be picked up, feel free to send a self-addressed stamped envelope along with your payment, or pay an extra \$1.00 to have the tickets mailed to you, or stop by our office. Watch our online calendar for advance planning of activities to fit your budget, and meet registration deadlines.

Notice SOAR Fox Cities, Inc. and its Programs are not responsible for accidents or injuries that may occur to participants or attendees during activities. Did you know that the volunteer opportunities with SOAR are almost endless!? Aside from volunteering at programs, we LOVE it when members help out at special events. Occasionally we also have special office projects, like folding and stuffing mailings, that we need help with! If you want to learn about these and more opportunities, please call Ashley Gustafson, Volunteer Coordinator, at 920-731-9831, x114. ***Some current needs are: special event committee members, assistant Coach for Special Olympics***

Hello Friends of SOAR!

Can you believe it's the April newsletter already!? I can't!! The weather has been so nice, though, that it certainly is starting to feel more like we're entering spring - Soon, summer!

I want to use my letter this month to take a moment to talk a bit more about the vaccine and our programs.

Let's start with the vaccine! We know MANY of you have had the opportunity to get your vaccine and that is super exciting! We're so happy for you. But, there are many that have not yet had the chance to get their vaccine, including some SOAR staff members. We've been working diligently to advocate both with our local healthcare systems and in Madison to make sure everyone has the opportunity to get vaccinated. If you're looking for additional information on the vaccination and/or are experiencing challenges getting vaccinated, please feel free to let me know! I've come across some amazing resources; many of which were provided by fellow SOAR parents and participants.

That is a great segue into programs as they're being directly effected by the availability of the vaccine. As I mentioned above, there are some people that haven't been able to get vaccinated. Many have appointments in the near future, but others haven't been considered eligible and as such have been screened out. We've been advocating for these folks, but it also means we need to hold off a bit on increasing the capacities of programs. Only about 20% of the state has been vaccinated which means we have to limit going into the community. That means we're doing our programming almost solely at SOAR, which does limit the amount of programs we can offer as well as the capacities within programs. Please be patient with us! We are working on a plan to increase capacities and open up programs so that all who want to can attend! There is light at the end of this tunnel and we're excited to see all of you once again!!!

Thanks everyone & please continue to stay safe & healthy!

SOAR Fox Cities - where YOUTH fit in!

Kidz Klub—Kidz Klub is a collaborative after-school program between SOAR Fox Cities and area school districts which targets children in Elementary Schools. Kidz Klub is a peer-to-peer social group for youth with and without disabilities held at a school within the participating school district.

Teen Stop—Teen Stop has the same collaboration as described above for Kids Klub, but focuses on Middle School aged children. Neenah School district is currently using this after-school program for middle school. Great games and activities are planned by middle school peers. Held during the school year only.

TnT—Youth ages 13-23 from any Fox Cities school district can come and meet new people, try fun group games, trivia questions and laughs. This positive interaction between peers allows them to gain exposure to each other, which leads to understanding and results in acceptance for each person involved. All teen participants take part in large and small group activities such as singing, sharing and games, engage in cooperative learning experiences and have opportunities for leadership development. Held 6:30-8:00pm at First Congregational United Church of Christ, 724 E South River St., Appleton. There is no cost for this program.

Special Olympics—Did you know Special Olympics begins at age 8?? Please see the Special Olympics section in this newsletter for sports offered by SOAR Fox Cities, and become part of the 3rd largest Special Olympics agency in the state of Wisconsin!!

People First—SOAR encourages and trains individuals, including youth, to speak up and advocate for themselves. There is a meeting once a month. **See details below!**
