The program or service may be re-scheduled. Please watch local news channels (WBAY, WFRV, WLUK), check our website and Facebook pages for real time updates on cancellations. Most day-of cancellations will be made by 2:00pm the day of the activity. After office hours, please call 920-931-2530 for Adult Programs information.

The use of SOARcash is encouraged for those needing minor financial assistance, when it is available (based on allowed funding). Call for a SOARcash application. For any questions regarding bills/invoices, please ask for extension 100. If you are registering for an activity and tickets need to be picked up, feel free to send a self-addressed stamped envelope along with your payment, or pay an extra \$1.00 to have the tickets mailed to you, or stop by our office. Watch our online calendar for advance planning of activities to fit your budget, and meet registration deadlines.

Hello Friends of SOAR!

As many of you know we publish the next month's newsletter anywhere from 2 to 3 weeks before the actual month during which activities are happening. So, as I write this letter to you about May, it's actually April. We'll talk a bit more about that later, but what I want to say is I hope all these April showers really do produce May flowers! Although, I'm not sure if the person that came up with that rhyme was from Wisconsin - It snowed today: Do you think April [snow] showers mean May flowers?!

This month I want to touch base with you all about SOAR programs, the current capacity limits and how we're moving forward in our emergence from the COVID-19 Pandemic.

So, right now, many folks have had a chance to get vaccinated, more than were able last month, with that: We know many of you want to be back at programs and WE want you back, but given the exposure risk is increasing we have to ask ourselves if we're being safe by increasing program capacities? I'm rambling now, and I apologize for that, but I wanted to be honest with you regarding our thoughts.

Here's what we're doing to work through this - Activity capacities are going to remain as is through the end of April, but please watch for changes in May. We fully anticipate being able to both increase activity capacities and increase the number of activities we're hosting. May will not be at 100% capacity, but we're very hopeful that June will be. This is where the timeline of the newsletter printing comes into play...Because we do it many weeks out we don't always have a clear idea of what things will look like. As such, we often lean a bit conservatively because it's easier to add spots in activities than it is to take them away. So, with that, we ask again that you please be patient with us! We're doing everything in our power to move forward and have our fingers crossed that soon these types of decisions will be well in our rearview mirrors!

As always, we'll keep updating you and communicating with you to the best of our ability! There is light at the end of this tunnel and we're excited to see all of you once again!!!

Thanks everyone & please continue to stay safe & healthy!

SOAR Fox Cities - where YOUTH fit in!

Kidz Klub—Kidz Klub is a collaborative after-school program between SOAR Fox Cities and area school districts which targets children in Elementary Schools. Kidz Klub is a peer-to-peer social group for youth with and without disabilities held at a school within the participating school district.

Teen Stop—Teen Stop has the same collaboration as described above for Kids Klub, but focuses on Middle School aged children. Neenah School district is currently using this after-school program for middle school. Great games and activities are planned by middle school peers. Held during the school year only.

TnT—Youth ages 13-23 from any Fox Cities school district can come and meet new people, try fun group games, trivia questions and laughs. This positive interaction between peers allows them to gain exposure to each other, which leads to understanding and results in acceptance for each person involved. All teen participants take part in large and small group activities such as singing, sharing and games, engage in cooperative learning experiences and have opportunities for leadership development. Held 6:30-8:00pm at First Congregational United Church of Christ, 724 E South River St., Appleton. There is no cost for this program.

Special Olympics—Did you know Special Olympics begins at age 8?? Please see the Special Olympics section in this newsletter for sports offered by SOAR Fox Cities, and become part of the 3rd largest Special Olympics agency in the state of Wisconsin!! SOAR Fox Cities offers 7 sports throughout the year.

People First—SOAR encourages and trains individuals, including youth, to speak up and advocate for themselves. There is a meeting once a month. **See details below!**

Eligibility Guidelines:

The camper must meet the following requirements:

- ◆ Age 14 and over with a mild cognitive disability.
- ◆ All campers must be fully toilet trained and independent in their self-care skills.
- ◆ This camp is not able to accept campers with the following disabilities: physically handicapped, severely emotionally disturbed, life threatening conditions, certain medical conditions, inappropriate for group living situations, or behaviors unsuitable for the camp setting.
- ◆ Camp is a smoke free environment. No cigarettes, chewing tobacco, cigars, pipes, vapor cigarettes etc. are allowed on the property.
- ◆ Campers must be able to climb two flights of stairs.

Facility:

The Boys & Girls Brigade of Neenah operates Camp Onaway. Campers are bused from the Fox Cities to Taylor Lake boat landing. The terrain of the camp is uneven (sandy & rocky). Campers stay in rustic cabins. The bathroom and shower facilities are in a separate building.

Activities Include:

Arts & crafts, boating, fishing, games, music, swimming and special events.
