Inclement Weather Policy Out of concern for safety, bad weather occasionally forces the closing of a SOAR Fox Cities, Inc. program or service. If it becomes necessary to close SOAR Fox Cities, Inc. for any reason, SOAR FC staff will attempt to notify all participants who are signed up for the program or service of the closure. The program or service may be re-scheduled. Please watch local news channels (WBAY, WFRV, WLUK), check our website and Facebook pages for real time updates on cancellations. Most day-of cancellations will be made by 2:00pm the day of the activity. After office hours, please call 920-931-2530 for Adult Programs information.

Payment Policy We will NOT be able to collect payments at activities. Do not give staff your payment—we need to collect it at the office, via mail, or via our website, PRIOR to all activities. If you visit our office before/after hours, please deposit your labeled payments in the mail slot. We encourage your use of envelopes. The use of SOARcash is encouraged for those needing minor financial assistance, when it is available (based on allowed funding). Call for a SOARcash application. For any questions regarding bills/invoices, please ask for extension 100. If you are registering for an activity and tickets need to be picked up, feel free to send a self-addressed stamped envelope along with your payment, or pay an extra \$1.00 to have the tickets mailed to you, or stop by our office. Watch our online calendar for advance planning of activities to fit your budget, and meet registration deadlines.

Cancellation Policy If you are unable to attend an event, you must cancel at least 5 days in advance. If you do not cancel in advance you will be liable for the program fees.

Did you know that the volunteer opportunities with SOAR are almost endless!? Aside from volunteering at programs, we LOVE it when members help out at special events. Occasionally we also have special office projects, like folding and stuffing mailings, that we need help with! If you want to learn about these and more opportunities, please call Ashley Gustafson, Volunteer Coordinator, at 920-731-9831, x114. ***Some current needs are: special event committee members, assistant Coach for Special Olympics***

Hello Friends of SOAR!

Can you believe it's the July newsletter already?! We are halfway through 2021!! WOW!!!

We have some major updates for programs and the like coming in July! The first is that we are no longer placing COVID-related capacity limits on programs. Some programs might only be able to host a certain number of people because of space, but things like dinner & a movie will no longer be limited to just 15 people - how exciting!!!

We will still be practicing safe cleaning precautions and sanitizing; however we'll also be starting more of our community based activities again! As you'll see in this newsletter we will be back at T-Rats Games and, once again, enjoying dinner at El Azteca & watching a movie at Valley Grand Cinema. We're even having a swim night at Erb Pool!! I sure could use that after the heat we've had this past weekend! How about you?

I do also want to remind you that if you don't feel well, please DO NOT come to an activity. Call the SOAR offices as soon as you are able and let us know, either by message or speaking to a coordinator, that you're not feeling well and cannot come to the activity. Furthermore, if you have been in contact with someone who has tested positive for COVID-19, or you yourself have tested positive within the 14 days prior to an activity - DO NOT come to the activity you are scheduled to attend. Please contact us to cancel. Currently we are being lenient with cancellations and program fees so please do not let the possibility of no refund/credit to your account deter you. Lastly, if you have tested positive for COVID-19 and were at an activity within 14 days prior to testing positive, please let us know. You can do so by emailing me at erin@soarfoxcities.com. I will not share your personal information, but do need to advise those whom you may have had contact with while at SOAR of the potential exposure.

Before I say goodbye for this month, I just want to remind you of one more super fun thing we have happening in July: The SOAR Annual Golf Outing!! We are incredibly excited to be hosting our 30th Annual Outing & hope you might consider joining us out at Royal St. Patrick's Golf Links for the day. If you're interested in attending you can learn more on our website. That's a wrap for this month folks! See you in the August newsletter!

Hello SOAR Members!

My name is Leah and I am a new staff member here at SOAR Fox Cities, Inc. and I am excited and grateful to be a part of such an awesome team. I am looking forward to start getting to know you all as I will be answering the phone and door as Member and Office Support Specialist.

Here's a little background about me: I graduated from Edgewood College in Madison, WI in 2015 with a bachelor's degree in art therapy and a psychology minor. During this time, I spent my practicum and internship working with individuals ages 0 through 18 years old with varying abilities at a day care, and family service center in Madison, and worked with kids on the autism

spectrum as a line therapist at Integrated Developmental Services. I also spent time in Ghana, West Africa leading my own art therapy program with underprivileged children at an NGO school for one semester. Post college I have spent my time nannying, doing respite care, job coaching, being a community-aide for individuals with varying abilities, and teaching art classes on the side. My life's motto is "process over product" which stems from my art therapy background with a focus on inclusivity, diversity, and adaptation.

Outside of work you can find me running, doing yoga, or painting portraits of people's pets. I am excited to get to know you all, and appreciate such a warm welcome to the SOAR community! If you have any questions please do not hesitate to call or email.

Did You Know!?

SOAR is still selling Kwik Trip Cards! For every card purchased directly from SOAR a percentage of the purchase is donated back to SOAR! How cool?!

SOAR Fox Cities - where YOUTH fit in!

Kidz Klub—Kidz Klub is a collaborative after-school program between SOAR Fox Cities and area school districts which targets children in Elementary Schools. Kidz Klub is a peer-to-peer social group for youth with and without disabilities held at a school within the participating school district.

Teen Stop—Teen Stop has the same collaboration as described above for Kids Klub, but focuses on Middle School aged children. Neenah School district is currently using this after-school program for middle school. Great games and activities are planned by middle school peers. Held during the school year only.

TnT—Youth ages 13-23 from any Fox Cities school district can come and meet new people, try fun group games, trivia questions and laughs. This positive interaction between peers allows them to gain exposure to each other, which leads to understanding and results in acceptance for each person involved. All teen participants take part in large and small group activities such as singing, sharing and games, engage in cooperative learning experiences and have opportunities for leadership development. Held 6:30-8:00pm at First Congregational United Church of Christ, 724 E South River St., Appleton. There is no cost for this program.

Special Olympics—Did you know Special Olympics begins at age 8?? Please see the Special Olympics section in this newsletter for sports offered by SOAR Fox Cities, and become part of the 3rd largest Special Olympics agency in the state of Wisconsin!! SOAR Fox Cities offers 7 sports throughout the year.

People First—SOAR encourages and trains individuals, including youth, to speak up and advocate for themselves. There is a meeting once a month. **See details below!**

Hey SOAR Members!

Erin here, the following message is from another one of our new team members! Anya is so new, in fact, that we couldn't quite get her into the actual newsletter like we usually would. Instead, we're introducing her to you all via this insert.

As Anya will share, she'll be focusing on bringing back some of the very popular Health & Wellness activities we had been doing before COVID happened. Watch for a special edition newsletter comin' your way soon that will share what activities she'll be doing throughout the summer and instructions on how you can sign up!!

So without further ado, I introduce you to Anya!!

Hello SOAR Members!

My name is Anya Gutierrez I am an AmeriCorps member serving SOAR Fox Cities until the end of August. I am beyond excited to serve here! I will be focusing on bringing awareness to the importance of making healthy lifestyle choices. I recently graduated from UW-Stevens Point with a Bachelor's degree in Sustainable Food and Nutrition. While in school I learned how to partner with farmers and community members to create a healthy community. I have a passion for educating our community about the many benefits of eating locally produced healthy foods.

Some outside of work activities I enjoy are gardening, running, hiking and spending time up north on the lake. I am looking forward to getting to know everyone, and thank you for welcoming me into your community!

Down below is a section featuring healthy topics that will be added to the newsletter!

Eat Well, Live Healthy

Welcome to a new feature in the SOAR newsletter! The purpose of this monthly feature is to promote healthy eating and physical activity. The healthy eating tips will focus on healthy food choices, easy to make recipes, and connections to foods and eating in our community.

In addition to healthy eating, there is a need to bring physical activity into our weekly routines. Did you know that adults should be getting about 150 minutes of moderate exercise a week? This section will include ways to bring physical activity into your home, guides to being active in the community and upcoming community events that promote physical activity or healthy living.

Commit to be fit in 2021!
