- Acknowledgement Form from the Participant/Guardian Handbook

Note: ***The Participant Information Form needs to be updated annually.*** Throughout the course of the year changes may occur with conditions, behaviors, etc. and it is very important that SOAR Fox Cities, Inc. staff is aware of all of these changes. It is a safety precaution for all involved including the participant, staff and volunteers. Please call the office (920-731-9831) with any changes.

Parking When parking at our building during business hours, please use the parking stalls designated for 211 E. Franklin Visitors. If you park in other companies' stalls you risk being towed.

Inclement Weather Policy Out of concern for safety, bad weather occasionally forces the closing of a SOAR Fox Cities, Inc. program or service. If it becomes necessary to close SOAR Fox Cities, Inc. for any reason, SOAR FC staff will attempt to notify all participants who are signed up for the program or service of the closure. The program or service may be re-scheduled. Please watch local news channels (WBAY, WFRV, WLUK), check our website and Facebook pages for real time updates on cancellations. Most day-of cancellations will be made by 2:00pm the day of the activity. After office hours, please call 920-931-2530 for Adult Programs information.

Payment Policy We will NOT be able to collect payments at activities. Do not give staff your payment—we need to collect it at the office, via mail, or via our website, PRIOR to all activities. If you visit our office before/after hours, please deposit your labeled payments in the mail slot. We encourage your use of envelopes. The use of SOARcash is encouraged for those needing minor financial assistance, when it is available (based on allowed funding). Call for a SOARcash application. For any questions regarding bills/invoices, please ask for extension 100. If you are registering for an activity and tickets need to be picked up, feel free to send a self-addressed stamped envelope along with your payment, or pay an extra \$1.00 to have the tickets mailed to you, or stop by our office. Watch our online calendar for advance planning of activities to fit your budget, and meet registration deadlines.

Cancellation Policy If you are unable to attend an event, you must cancel at least 5 days in advance. If you do not cancel in advance you will be liable for the program fees.

Did you know that the volunteer opportunities with SOAR are almost endless!? Aside from volunteering at programs, we LOVE it when members help out at special events. Occasionally we also have special office projects, like folding and stuffing mailings, that we need help with! If you want to learn about these and more opportunities, please call Ashley Gustafson, Volunteer Coordinator, at 920-731-9831, x114. ***Some current needs are: special event committee members, assistant Coach for Special Olympics***

Hello Friends of SOAR!

How are you all doing!? Can you believe that I am writing you in the September newsletter!? Holy catfish!! Where has this year gone?

Did you know September is one of my favorite months? Well, if you didn't, you do now! It's when all things pumpkin spice start to come out, the leaves start to change colors and, best of all, Halloween is the very next month!

Speaking of changes, the last several months have brought LOTS of changes, but we're excited to say they've all been GREAT! Dances are back, the Corn Roast, too & so much more!! How exciting, but best of all, we're getting to, once again, see all your wonderful faces!!

I don't want to "bring it down" at all, but I do want to address what I'm going to call an elephant in the room – The Delta Variant. If you're not familiar with the Delta Variant, the quick and dirty about it is that it is a variant of the COVID-19 virus that is quickly spreading. In fact, the counties that make up the Fox Valley region have recently seen a dramatic increase in positive cases because of the Delta Variant. As of today, we are simply keeping a very close eye on this situation, but not making any changes to current policies. As we have in the past, we will continue to update you as we are able regarding program and policy changes.

Please remember, if you don't feel well, please DO NOT come to an activity. Call the SOAR offices as soon as you are able and let us know that you're not feeling well and cannot come to the activity. Furthermore, if you have been in contact with someone who has tested positive for COVID-19, or you yourself have tested positive within the 14 days prior to an activity - DO NOT come to the activity you are scheduled to attend. Please contact us to cancel. Lastly, if you have tested positive for COVID-19 and were at an activity within 14 days prior to testing positive, please let us know by emailing me at erin@soarfoxcities.com. I will not share your personal information, but do need to advise those whom you may have had contact with while at SOAR of the potential exposure. That's a wrap for this month folks! See you in the October newsletter!

ATTENTION!

Hey Everyone! We just want to give you a quick heads up on some changes with Caregiver Fees. As some of you may have noticed, they've gone up for some activities. Please know this is because those activities include a meal or a ticket to an event (or into a building like the museum). In the past, especially in regard to meals, we would have asked that you pay for your own meal; however have found that to be difficult & cumbersome during the fun of the activity.

So, moving forward we've opted to increase the caregiver cost and cover the meals, tickets, etc. for the caregiver attending.

The additional cost will not be added to every event. For those events that do see an increase in caregiver cost, the additional cost has been determined using an average meal cost at the particular restaurant or location being visited.

As always, please feel free to contact us with any questions! Thank you!!

SOAR Fox Cities - where YOUTH fit in!

Kidz Klub—Kidz Klub is a collaborative after-school program between SOAR Fox Cities and area school districts which targets children in Elementary Schools. Kidz Klub is a peer-to-peer social group for youth with and without disabilities held at a school within the participating school district.

Teen Stop—Teen Stop has the same collaboration as described above for Kids Klub, but focuses on Middle School aged children. Neenah School district is currently using this after-school program for middle school. Great games and activities are planned by middle school peers. Held during the school year only.

TnT—Youth ages 13-23 from any Fox Cities school district can come and meet new people, try fun group games, trivia questions and laughs. This positive interaction between peers allows them to gain exposure to each other, which leads to understanding and results in acceptance for each person involved. All teen participants take part in large and small group activities such as singing, sharing and games, engage in cooperative learning experiences and have opportunities for leadership development. Held 6:30-8:00pm at First Congregational United Church of Christ, 724 E South River St., Appleton. There is no cost for this program.

Special Olympics—Did you know Special Olympics begins at age 8?? Please see the Special Olympics section in this newsletter for sports offered by SOAR Fox Cities, and become part of the 3rd largest Special Olympics agency in the state of Wisconsin!! SOAR Fox Cities offers 7 sports throughout the year.

People First—SOAR encourages and trains individuals, including youth, to speak up and advocate for themselves. There is a meeting once a month. *See details below!*

I am also trying to get teams back to back at the same gym so we can have scrimmages. Teams can only have 15 players on the rosters so they will fill fast. We will have 5 teams and 1 skills team. If teams do not fill, you may be moved to another team to make 15 players. Make sure your Medical is in...call or e-mail me to check!

Hello SOAR Fox Cities Families,

I am excited to share an opportunity with you/your loved ones about an ongoing project we are re-investing in for 2021-22 and beyond!

Living Well Project!

The Living Well Project will allow YOU/YOUR loved one to influence the direction of which they are addressed, what services are available and how to become more independent in your community.

This is a 4-year project with 2 years remaining. The best part? There is MINIMAL commitment to participate!

I need 10 people to join me. There is no cost, but endless benefits!

Our first adventure was the "Get Lost" project. We navigated a way to get to the mall by using public transportation...there and back! With no help from caregivers. This offered a great sense of freedom and independence!

What's in it for you or your loved one? YOU get the opportunity to drive the path of future services and SOAR gets to assess our programs, administration and policies – WITH YOUR DIRECT INPUT! This will help us meet your needs at the best level we can.

I will do most of the work. You just have to say you want to help SOAR make policies and procedures that best serve our members.

To get involved...contact me and we go from there. Easy Peasy!

I look forward to having you help me on this project!

Lisa Volkman
