# Volunteering

Did you know that the volunteer opportunities with SOAR are almost endless!? Aside from volunteering at programs, we LOVE it when members help out at special events. Occasionally we also have special office projects, like folding and stuffing mailings, that we need help with! If you want to learn about these and more opportunities, please call Ashley Gustafson, Community Engagement Director, at 920-731-9831, x114.

***Some current needs are: special event committee members, assistant Coach for Special Olympics***

Hello Friends of SOAR!

Can you believe it's the December newsletter already?! My oh my, has this year gone fast!

As we approach the end of the year, I'm happy to announce a new addition to the SOAR Team - Heidi Zick has joined us as a Program & Resource Coordinator. Heidi will lead our Family and Community Education Programs while also helping us spearhead a new partnership and program in collaboration with the Fox Valley Memory Project. Read more about Heidi on the next page and please give her a warm welcome!

I also want to continue to update you on SOAR's COVID-19 policies and status. The surrounding counties continue to experience high number of positive COVID-19 cases and we're monitoring the situation closely. Please know, we are continuing to require masks at all activities, including those held offsite (or not at SOAR). If you are attending a SOAR sponsored event or activity you ARE REQUIRED TO WEAR A MASK. As we have in the past, we will continue to update you as we are able regarding program and policy changes.

If you have been in contact with someone who has tested positive for COVID-19, or you yourself have tested positive within the 14 days prior to an activity - DO NOT come to the activity you are scheduled to attend. Please contact us to cancel. If you have tested positive for COVID-19 and were at an activity within 14 days prior to testing positive, please let us know by emailing me at [erin@soarfoxcities.com](mailto:erin@soarfoxcities.com) or the coordinator of the program you attended. I will not share your personal information, but do need to advise those whom you may have had contact with while at SOAR of the potential exposure. That's a wrap for this month folks! See you in the January newsletter!

# Welcome Heidi!

## Hello SOAR participants and families!

My name is Heidi Zick. I am excited to be your new Program and Resource Coordinator here at SOAR, while also working with the Fox Valley Memory Project as their Aging and I/DD (Intellectual and Developmental Disabilities) Coordinator.

I was born and raised in Appleton, having graduated from Appleton East before attending UW-Madison where I earned my Bachelor's degree in Elementary Education and my Spanish teaching certification. I worked for a few years as a bilingual teacher before I returned to UW-Oshkosh where I earned my Master's degree in Educational Leadership with certifications in Social Justice, Bilingual Education and English as a Second Language. I taught for 21 years before I came to this job at SOAR and have always loved working with people of all ages with different abilities and from different backgrounds. I have always believed in inclusion while teaching students with different abilities and that all students are able to learn, we just need to accommodate each students' needs. I look forward to educating our community to build acceptance and to share our mission here at SOAR, while also helping you all find the resources you need to be successful.

In my free time, you will often find me at home with my husband Jason and our teenage daughter Ella, playing board games, watching movies, cooking, baking, and walking or playing with our three dogs Sophie, Buddy and Flash. When the weather is nice, you will often find us up north fishing, hanging out playing games on the deck, walking through the woods, enjoying the wildlife, and spending time with my parents. We also love to swim when the weather is nice and its warm enough!

I feel extremely grateful to be a part of this organization and to work with you all! I look forward to getting to know you as we enjoy many activities together! Please feel free to reach out by phone or email if you have any questions or concerns or need anything at all.

## ATTENTION!

Hey Everyone! We just want to give you a quick heads up on some changes with Caregiver Fees. As some of you may have noticed, they've gone up for some activities. Please know this is because those activities include a meal or a ticket to an event (or into a building like the museum). In the past, especially in regard to meals, we would have asked that you pay for your own meal; however we've found that to be difficult & cumbersome during the fun of the activity. So, moving forward we've opted to increase the caregiver cost and cover the meals, tickets, etc. for the caregiver attending.

The additional cost will not be added to every event. For those events that do see an increase in caregiver cost, the additional cost has been determined using an average meal cost at the particular restaurant or location being visited. As always, please feel free to contact us with any questions! Thank you!!

### **Coffee Connections! With Heidi** **Wednesday, December 1st, 10:30am-11:30am**

This is a support group for parents, guardians and caregivers looking to explore current trends and topics of interest.

**Let's break out our ugly holiday sweaters and start the month off with a little holiday cheer! Please wear your ugliest holiday sweater to the December meeting!**

We will meet in the Lower Level Activity Room at the SOAR Offices and continue to reconnect in a post-COVID world!

If you are not on the Coffee Connections mailing list, but would like to be, please email Heidi at [heidi@soarfoxcities.com](mailto:heidi@soarfoxcities.com)

### **LET'S RING THE BELLS AND SPREAD HOLIDAY CHEER!**

Join us for a night of volunteering and holiday cheer! We will be ringing bells at multiple locations across the Fox Cities from 5:00pm-6:00pm on December 13th. After we are done, we will meet back at the SOAR office (211 E. Franklin Street, Appleton) for chili, cookies, cocoa, and socializing until 7:30 pm!

As this is a family event, please register with a family member or caregiver. Reserve your bell ringing location in Appleton, Kaukauna, Little Chute, Menasha, or Neenah by December 6th. Contact Heidi at SOAR to get your location by calling (920-731-9831 x122) or via email ([heidi@soarfoxcities.com](mailto:heidi@soarfoxcities.com))!

# SOAR Fox Cities - where YOUTH fit in!

**Kidz Klub**—Kidz Klub is a collaborative after-school program between SOAR Fox Cities and area school districts which targets children in Elementary Schools. Kidz Klub is a peer-to-peer social group for youth with and without disabilities held at a school within the participating school district.

**Teen Stop**—Teen Stop has the same collaboration as described above for Kids Klub, but focuses on Middle School aged children. Neenah School district is currently using this after-school program for middle school. Great games and activities are planned by middle school peers. Held during the school year only.

**TnT**—Youth ages 13-23 from any Fox Cities school district can come and meet new people, try fun group games, trivia questions and laughs. This positive interaction between peers allows them to gain exposure to each other, which leads to understanding and results in acceptance for each person involved. All teen participants take part in large and small group activities such as singing, sharing and games, engage in cooperative learning experiences and have opportunities for leadership development. Held 6:30-8:00pm at First Congregational United Church of Christ, 724 E South River St., Appleton. There is no cost for this program.

**Special Olympics**—Did you know Special Olympics begins at age 8?? Please see the Special Olympics section in this newsletter for sports offered by SOAR Fox Cities, and become part of the 3rd largest Special Olympics agency in the state of Wisconsin!! SOAR Fox Cities offers 7 sports throughout the year.

**People First**—SOAR encourages and trains individuals, including youth, to speak up and advocate for themselves. There is a meeting once a month. *See details below!*

### Is your medical information with SOWI up to date??

If your medical exam is near expiration or you're not sure, please email Lisa at [lisav@soarfoxcities.com](mailto:lisav@soarfoxcities.com) to double check. You cannot take part in Special Olympics activities or compete if your medical is not up to date!! All athletes must also have a COVID-19 form and waiver on file with SOWI. If you have not signed each of these please contact Lisa V. immediately! **EXT: 109**

**Reminder! Our cancellation policy is:**

If you are unable to attend an activity, you must cancel at least 5 days in advance to be eligible for a credit. If a participant cancels less than 5 days before the activity or is a no-show, there will be no credit given, only in rare instances will exceptions be granted.

**If the activity requires tickets and you cancel more than 5 days in advance, you are STILL fully responsible for the cost of the activity. Possible exceptions exist if we are able to fill the spot that was cancelled. If we are able to fill the vacancy, a credit will be applied to the participant's account.**

If cancelling (or no-show) for a part of a series, no credit will be given.

If eligible, only credits will be given. No refunds will be given.

IRIS refuses to pay for services not provided, which includes cancellations and no-shows. If you require IRIS-billing, based on the Cancellation Policy, you are fully responsible for all cancelled (or no-show) activity fees.

In the event of SOAR cancelling an activity due to weather or other reasons, all registered participants will be credited for the activity or refunded upon request via check.

Please understand that the cancellation policy exists for several reasons including:

1. Programs can fill up quickly and when this happens we create a waitlist. Canceling in advance allows us to contact those on the waiting list and gives another participant the opportunity to join the activity.
2. Many programs require purchases that reflect on the number of individuals participating in that specific activity such as movie/theater/sports game tickets, transportation expenses, arts and crafts supplies, baking/cooking supplies, or meals, where the money cannot be replaced or exchanged when someone cancels without notice. We try to avoid this the best we can by trying to typically buy tickets as close to the date of the activity as possible, but sometimes this is not always an option.

**Thank you for your understanding, patience, and support!**
