

ABOUT SOAR

SOAR Fox Cities mission is to Empower People with Differing Abilities. We provide eight social, educational, recreational, and support programs to youth and adults with developmental disabilities and their families, and help our participants reach new heights!

WHY EVOLVE TRANSITION DAYS

Let's be honest; **adulting is hard**. The transition from high school to the real world can be very overwhelming. BUT, **you are NOT alone!** We created Evolve Transition Days especially for YOU, to help you navigate this step in your journey and achieve your goals! Throughout the summer, we'll have fun together, learn real-world skills, and all feel a little more prepared to 'adult' by the end.

Young adults applying need to be independent, have no behavior concerns, and be able to walk throughout the day.

Evolve Transition Days offer nine weeks of day service programming for **transition-age youth** (18-23) with differing abilities.

Evolve Transition Days maintains a small group size of six young adults with two staff members to provide more **individualized and self-directed opportunities**. Young adults assist in choosing weekly activities to encourage independence, planning, and decision-making skills!

Young adults spend the majority of the week in the community, participating in **fun educational and philanthropic activities** that encourage them to build real-world skills and explore new or current areas of interest with friends!
