Message from the Director

Hello Friends of SOAR!

June always brings a shift in energy, and you can feel it across SOAR.

As we move into summer, our days start to look a little different in the best way. More time out in the community, more opportunities to try new things, and a calendar full of activities that bring people together.

Whether it's time spent building skills through Evolve 365, connecting with peers in our youth programs, or getting ready for summer experiences like Camp Onaway, there's a lot to look forward to this month.

One highlight we're especially excited to share is that Camp Onaway Nurse Amy was recently recognized with a well-deserved award. Many of you know Amy and the care, calm, and kindness she brings to camp each year. She plays such an important role in making sure campers feel safe, supported, and able to fully enjoy their experience. We are so proud of her and grateful for all she does.

June also brings a big celebration for our entire SOAR community - our 70th Anniversary Gala on June 18. While this is a special event, it's really about celebrating you - the individuals, families, and community that make SOAR what it is. If you and your family have been thinking about attending, we would love to have you join us for an evening of connection, celebration, and fun.

Most of all, June is about enjoying the moments ahead - being outside, trying something new, spending time with friends, and continuing to build confidence and independence along the way. We're excited for everything this season will bring and are so glad to be part of it with you!

Thank you for being part of SOAR!

With appreciation,

Announcements, Reminders & Volunteering

We have a lock box outside of the SOAR Building!

When facing the main entrance of the building from the parking lot, you will see a black box with a silver lid on the right side of the building doors. **This is the after-hours drop box where payments or paperwork can be left when SOAR is closed.** This includes before or after the hours of 9:00-4:30pm M-TH, or Fridays, Saturdays, and Sundays. Simply lift the silver top and drop your envelope into the opening. **We always recommend dropping things off to the office during office hours for the most security,** but we understand that not everyone's schedules allow for this. This lock box will be checked once a day by SOAR staff or the building manager. If you drop something off on Friday, or Thursday night, it may not be checked/received until Monday. Please call the office if you have questions.

We do NOT accept payments at activities

Friendly Reminder: DO NOT give coaches, volunteers, or SOAR staff payment or any SOAR document that need to be filled out/turned into the office while at practices or programs! We will NOT accept it!

All payment and forms must be turned in to the SOAR Office during office hours, mailed in, or dropped off in the lock box. You can also go to soarfoxcities.com for payment and activity registration, or speak with a staff member on the phone. As a reminder: voicemails or emails will not be accepted as registration.

Shout out to Camp Onaway Nurse ~ Amy!!!

Camp Nurse Amy Bernitt received the 2026 Nightingale Award for Nursing Excellence. Besides serving as a clinical team leader at Theda Care RMC, Amy has made it a priority to attend SOAR Camp for the past 19 years! Amy began as a counselor at camp and joined the nursing team while obtaining her nursing degree. We want to celebrate her not only in this honor but also thank her for her dedication to SOAR Camp Onaway!

Volunteering

Volunteering at SOAR can look a variety of ways! We have many individual volunteering needs, such as helping at our educational classes, fun outings, and recreational events. We also love having groups come in and give back. If your company, work, or club is looking for a fun way to make a difference, you can volunteer as a group at SOAR! We are also looking for dedicated coaches for Special Olympic Summer Sports, no sports ability required!

If interested in learning more about volunteering, please contact volunteer@soarfoxcities.com.

Special Olympics updates

Basketball and swim came to an end at the 2026 Spring Games. What an awesome season! The Hawks went home wearing silver medals, coming in 2nd place in their division, and the swim team brought more medals home than we could count! Congratulations to everyone that competed! A huge thank you to the wonderful coaches and volunteers who made this season happen- we couldn't do any of this without you.

IMPORTANT: To register for an SO sport, you MUST complete the sport registration form and submit it to SOAR. Registration forms can be found at the end of our newsletters. If an athlete pays for a sport but does not register, it is his/her responsibility to register before the season deadline. Payment is NOT the same as a registration. Thank you for your cooperation!

ATTENTION! NEW SOWI MEDICAL PAPERWORK NOW AVAILABLE

Effective 1/1/26, SOWI will no longer accept the previous medical packet; you can now obtain the new paperwork from the SOAR office, via email from our SO Coordinator, on SOWI's website, or on SOAR's website. The new packet is much shorter and does NOT require a physical exam or doctor's signature (unless there are extenuating circumstances). The new packet can even be completed directly online, but must be renewed every year.

Upcoming SO Events:

District Track Meet: Saturday, May 16th, Ashwaubenon High School

State Summer Games (Track): June 4-6th, UW Whitewater

District Softball & Bocce Tournament: August 2nd, Appleton Memorial Park

GET INVOLVED!

We are always looking for Special Olympics volunteers and coaches in all sports. Our current need is for softball, tee-ball, and bocce. We need volunteers and a few coaches. Contact SO Coordinator if you're interested in getting involved.

What is WisconSibs?

WisconSibs youth programming supports brothers and sisters of individuals with differing abilities by offering spaces for connection and age-appropriate education on disability, family dynamics, and the evolving roles siblings may take on; through games and shared activities, the program reduces isolation, builds resilience, and helps young siblings feel understood, supported, and confident as they grow into advocates for themselves and their families.

Our Activities

Sibshops are play-based workshops for kids ages 6–12 that use games, arts, and guided activities to help young siblings share experiences and feel understood. Offered as a 9–10 session series held once a month on a Saturday or Sunday (with no sessions in summer), each 3–4 hour Sibshop provides age-appropriate education about disability, builds coping, communication, and problem-solving skills, and introduces the supportive roles siblings may grow into while sparking friendships in a fun, encouraging setting.

Cost is \$25 per participant

Participants may join the series without attending every Sibshop.

MORE INFO >>>

Summer Programs

Summer activities include SibDays of Summer, SibCamp, and the Teen Sib Leadership Retreat, offering connection, hands-on learning, and outdoor adventures for siblings.

Supporting siblings early matters because many grow into important supporters for their brothers or sisters. Giving them space to learn, connect, and practice skills now helps them feel confident, informed, and prepared as their roles evolve, and it reinforces that their own needs and experiences are just as important.

Reminder! Our cancellation policy is:

If you are unable to attend an activity, you must cancel at least 5 days in advance to be eligible for a credit. If a participant cancels less than 5 days before the activity or is a no-show, there will be no credit given; only in rare instances will exceptions be granted.

If the activity requires tickets and you cancel more than 5 days in advance, you are STILL fully responsible for the cost of the activity. Possible exceptions exist if we are able to fill the spot that was canceled. If we are able to fill the vacancy, a credit will be applied to the participant's account.

If canceling (or no-show) for a part of a series, no credit will be given. If eligible, only credits will be given. No refunds will be given.

IRIS refuses to pay for services not provided, which includes cancellations and no-shows. If you require IRIS-billing, based on the Cancellation Policy, you are fully responsible for all canceled (or no-show) activity fees. In the event of SOAR canceling an activity due to weather or other reasons, all registered participants will be credited for the activity or refunded upon request via check.

Please understand that the cancellation policy exists for several reasons, including:

- 1. Programs can fill up quickly, and when this happens, we create a waitlist. Canceling in advance allows us to contact those on the waitlist and gives another participant the opportunity to join the activity.
- 2. Many programs require purchases that reflect the number of individuals participating in that specific activity, such as movie/theater/sports game tickets, transportation expenses, arts and crafts supplies, baking/cooking supplies, or meals, where the money cannot be replaced or exchanged when someone cancels without notice. We try to avoid this the best we can by trying to typically buy tickets as close to the date of the activity as possible, but sometimes this is not always an option.

SOAR Policies are available on our website and in the Participant Handbook.

Thank you for your understanding, patience, and support!
